I think this works. Will give it to people in front office for back pocket coming out of the Tuesday briefing in case it's needed.

Ok - Lou and I just talked and he'll look at it. Maybe label as "Draft" . Up to him - we'll call him FOIA Czar. (he will hate that)

I've been sensitized by reviewing 4700 pages of a chloroprene FOIA request and see things labeled as deliberative or pre-decisional that clearly are not.

I just used whatever the template had. Maybe Lou can change before it gets sent forward?

I just noticed that this is labeled 'internal deliberative pre-decisional' . I don't see that this should include "deliberative " or "predecisional" as I don't see how those terms apply here. Sorry I didn't notice earlier.
